			Part#II.4.1 For at sikre en effektiv udøvelse af retten til en rimelig løn forpligter de kontraherende parter sig til: at anerkende arbejdernes ret til en løn af en sådan størrelse , at den kan give dem og deres familie en passende levestandard;
		ADRDM American Declaration on the Rights and Duties of Man	Show all articles VII All women, during pregnancy and the nursing period, and all children have the right to special protection, care and aid.
		ACHR American Convention on Human Rights	Show all articles 19 Every minor child has the right to the measures of protection required by his condition as a minor on the part of his family, society, and the state.

			26 The States Parties undertake to adopt measures, both internally and through international cooperation, especially those of an economic and technical nature, with a view to achieving progressively, by legislation or other appropriate means, the full realization of the rights implicit in the economic, social, educational, scientific, and cultural standards set forth in the Charter of the Organization of American States as amended by the Protocol of Buenos Aires.
		Protocol of San Salvador Additional Protocol to the American Convention on Human Rights in the Area of Economic, Social and Cultural rights (Protocol of San Salvador)	Show all articles 12.1 Everyone has the right to adequate nutrition which guarantees the possibility of enjoying the highest level of physical, emotional and intellectual development. 12.2 In order to promote the exercise of this right and eradicate malnutrition, the States Parties undertake to improve methods of production, supply and distribution of food, and to this end, agree to promote greater international cooperation in support of the relevant national policies. 15.3 The States Parties hereby undertake to accord adequate protection to the family unit and in particular: 15.3.a To provide special care and assistance to mothers during a reasonable period before and after childbirth; 15.3.b To guarantee adequate nutrition for children at the nursing stage and during school attendance years; 15.3.c To adopt special measures for the protection of adolescents in order to ensure the full development of their physical, intellectual and moral capacities; 17 Everyone has the right to special protection in old age. With this in view the States Parties agree to take progressively the necessary steps to make this right a reality and, particularly, to: 17.a Provide suitable facilities, as well as food and specialized medical care, for elderly individuals who lack them and are unable to provide them for themselves;
		ACRWC African Charter on the Rights and Welfare of the Child	Show all articles 5.2 State Parties to the present Charter shall ensure, to the maximum extent possible, the survival, protection and development of the child. 14.2 State Parties to the present Charter shall undertake to pursue the full implementation of this right and in particular shall take measures: 14.2.c to ensure the provision of adequate nutrition and safe drinking water; 14.2.d to combat disease and malnutrition within the framework of primary health care through the application of appropriate technology; 14.2.e to ensure appropriate health care for expectant and nursing mothers; 14.2.h to ensure that all sectors of the society, in particular, parents, children, community leaders and community workers are informed and supported in the use of basic knowledge of child health and nutrition, the advantages of breastfeeding, hygiene and environmental sanitation and the prevention of domestic and other accidents; 20.2 State Parties to the present Charter shall in accordance with their means and national conditions take all appropriate measures: 20.2.a to assist parents and other persons responsible for the child and in case of need, provide material assistance and support programmes particularly with regard to nutrition, health, education, clothing and housing;
		Maputo Protocol Protocol to the African Charter on Human and Peoples' Rights on the Rights of Women in Africa	Show all articles 14.2 States Parties shall take all appropriate measures to: 14.2.b establish and strengthen existing pre-natal, delivery and post-natal health and nutritional services for women during pregnancy and while they are breast-feeding; 15 States Parties shall ensure that women have the right to nutritious and adequate food. In this regard, they shall take appropriate measures to: 15.a provide women with access to clean drinking water, sources of domestic fuel, land, and the means of producing nutritious food; 15.b establish adequate systems of supply and storage to ensure food security

			22 The States Parties undertake to:
			22.a provide protection to elderly women and take specific measures commensurate with their physical, economic and social needs as well as their access to employment and professional training;
			24 The States Parties undertake to:
			24.a ensure the protection of poor women and women heads of families including women from marginalized population groups and provide an environment suitable to their condition and their special physical, economic and social needs;
			24.b ensure the right of pregnant or nursing women or women in detention by providing them with an environment which is suitable to their condition and the right to be treated with dignity.
		UNCCD UN Convention to Combat Desertification	Show all articles 5 Ud over forpligtelserne i henhold til artikel 4 forpligter de ramte landeparter sig til:
			5.b som led i deres planer og/eller politik for bæredygtig udvikling at fastlægge strategier og prioriteter for bekæmpelse af ørkendannelse og afhjælpning af virkningerne af tørke
			10.3 De nationale handlingsprogrammer kan bl.a. omfatte nogle af eller alle følgende foranstaltninger til forebyggelse og afhjælpning af virkningerne af tørke:
			10.3.c oprettelse og/eller styrkelse af systemer for fødevarer sikkerhed, herunder oplagings- og afsætningsfaciliteter, især i landdistrikter
			10.4 Under hensyntagen til de særlige forhold og behov, der gør sig gældende for hver af de ramte landeparter, omfatter de nationale handlingsprogrammer efter omstændighederne bl.a. foranstaltninger på nogle af eller alle følgende prioriterede områder i forbindelse med bekæmpelse af ørkendannelse og afhjælpning af virkningerne af tørke i de ramte områder og for deres befolkninger: fremme af alternative næringsveje og forbedring af det nationale økonomiske klima med henblik på styrkelse af programmer for fattigdomsbekæmpelse og øget fødevarer sikkerhed; befolkningsdynamik; bæredygtig forvaltning af naturressourcer; bæredygtige landbrugsmetoder; udvikling og effektiv udnyttelse af forskellige energikilder; institutionelle og juridiske rammer; styrkelse af kompetencen inden for vurderinger og systematiske observationer, herunder hydrologiske og meteorologiske tjenester, og kapacitetsopbygning, uddannelse og folkeoplysning.
