			<b>Show all articles</b> 1 The objective of the present Agreement is to guarantee the full and effective implementation in Latin America and the Caribbean of the rights of access to environmental information, public participation in the environmental decision-making process and access to justice in environmental matters, and the creation and strengthening of capacities and cooperation, contributing to the protection of the right of every person of present and future generations to live in a healthy environment and to sustainable development.
			4.1 Each Party shall guarantee the right of every person to live in a healthy environment and any other universally-recognized human right related to the present Agreement.
			4.5 Each Party shall ensure that guidance and assistance is provided to the public —particularly those persons or groups in vulnerable situations— in order to facilitate the exercise of their access rights.

			4.6 Each Party shall guarantee an enabling environment for the work of persons, associations, organizations or groups that promote environmental protection, by recognizing and protecting them.
			5.3 Each Party shall facilitate access to environmental information for persons or groups in vulnerable situations, establishing procedures for the provision of assistance, from the formulation of requests through to the delivery of the information, taking into account their conditions and specificities, for the purpose of promoting access and participation under equal conditions.
			5.4 Each Party shall guarantee that the above-mentioned persons or groups in vulnerable situations, including indigenous peoples and ethnic groups, receive assistance in preparing their requests and obtain a response.
			5.17 Environmental information shall be disclosed at no cost, insofar as its reproduction or delivery is not required. Reproduction and delivery costs shall be applied in accordance with the procedures established by the competent authority. Such costs shall be reasonable and made known in advance, and payment can be waived in the event that the applicant is deemed to be in a vulnerable situation or to have special circumstances warranting such a waiver.
			6.6 In order to facilitate access by persons or groups in vulnerable situations to information that particularly affects them, each Party shall endeavour, where applicable, to ensure that the competent authorities disseminate environmental information in the various languages used in the country, and prepare alternative formats that are comprehensible to those groups, using suitable channels of communication.
			7.3 Each Party shall promote the participation of the public in decision-making processes, revisions, re-examinations or updates other than those referred to in paragraph 2 of the present article with respect to environmental matters of public interest, such as land-use planning, policies, strategies, plans, programmes, rules and regulations, which have or may have a significant impact on the environment.
			7.14 The public authorities shall make efforts to identify and support persons or groups in vulnerable situations in order to engage them in an active, timely and effective manner in participation mechanisms. For these purposes, appropriate means and formats will be considered, in order to eliminate barriers to participation.
