Goal	Target	Instrument	Article / Description
 <p>End poverty in all its forms everywhere.</p>	1.1 By 2030, eradicate extreme poverty for all people everywhere, currently measured as people living on less than \$1.25 a day. Indicators 1.1.1 Proportion of the population living below the international poverty line by sex, age, employment status and geographic location (urban/rural)	CRPD Convention on the Rights of Persons with Disabilities	Show all articles 28.2 States Parties recognize the right of persons with disabilities to social protection and to the enjoyment of that right without discrimination on the basis of disability, and shall take appropriate steps to safeguard and promote the realization of this right, including measures: 28.2.b To ensure access by persons with disabilities, in particular women and girls with disabilities and older persons with disabilities, to social protection programmes and poverty reduction programmes; 28.2.c To ensure access by persons with disabilities and their families living in situations of poverty to assistance from the State with disability-related expenses, including adequate training, counselling, financial assistance and respite care;
	1.2 By 2030, reduce at least by half the proportion of men, women and children of all ages living in poverty in all its dimensions according to national definitions. Indicators 1.2.1 Proportion of population living below the national poverty line, by sex and age 1.2.2 Proportion of men, women and children of all ages living in poverty in all its dimensions according to national definitions	CRPD Convention on the Rights of Persons with Disabilities	Show all articles 28.2 States Parties recognize the right of persons with disabilities to social protection and to the enjoyment of that right without discrimination on the basis of disability, and shall take appropriate steps to safeguard and promote the realization of this right, including measures: 28.2.b To ensure access by persons with disabilities, in particular women and girls with disabilities and older persons with disabilities, to social protection programmes and poverty reduction programmes; 28.2.c To ensure access by persons with disabilities and their families living in situations of poverty to assistance from the State with disability-related expenses, including adequate training, counselling, financial assistance and respite care;
	1.3 Implement nationally appropriate social protection systems and measures for all, including floors, and by 2030 achieve substantial coverage of the poor and the vulnerable. Indicators 1.3.1 Proportion of population covered by social protection floors/systems, by sex, distinguishing children, unemployed persons, older persons, persons with disabilities, pregnant women, newborns, work injury victims, and the poor and the vulnerable	CRPD Convention on the Rights of Persons with Disabilities	Show all articles 28.2 States Parties recognize the right of persons with disabilities to social protection and to the enjoyment of that right without discrimination on the basis of disability, and shall take appropriate steps to safeguard and promote the realization of this right, including measures: 28.2.b To ensure access by persons with disabilities, in particular women and girls with disabilities and older persons with disabilities, to social protection programmes and poverty reduction programmes;
	1.4 By 2030, ensure that all men and women, in particular the poor and the vulnerable, have equal rights to economic resources, as well as access to basic services, ownership and control over land and other forms of property, inheritance, natural resources, appropriate new technology and financial services, including microfinance. Indicators 1.4.1 Proportion of population living in households with access to basic services 1.4.2 Proportion of total adult population with secure tenure rights to land, (a) with legally recognized documentation, and (b) who perceive their rights to land as secure, by sex and type of tenure	CRPD Convention on the Rights of Persons with Disabilities	Show all articles 4.1 States Parties undertake to ensure and promote the full realization of all human rights and fundamental freedoms for all persons with disabilities without discrimination of any kind on the basis of disability. To this end, States Parties undertake: 4.1.c To take into account the protection and promotion of the human rights of persons with disabilities in all policies and programmes; 4.1.g To undertake or promote research and development of, and to promote the availability and use of new technologies, including information and communications technologies, mobility aids, devices and assistive technologies, suitable for persons with disabilities, giving priority to technologies at an affordable cost;

		<p>4.2 With regard to economic, social and cultural rights, each State Party undertakes to take measures to the maximum of its available resources and, where needed, within the framework of international cooperation, with a view to achieving progressively the full realization of these rights, without prejudice to those obligations contained in the present Convention that are immediately applicable according to international law.</p>
		<p>24.1 States Parties recognize the right of persons with disabilities to education. With a view to realizing this right without discrimination and on the basis of equal opportunity, States Parties shall ensure an inclusive education system at all levels and life long learning directed to:</p>
		<p>24.1.a The full development of human potential and sense of dignity and self-worth, and the strengthening of respect for human rights, fundamental freedoms and human diversity;</p>
		<p>24.1.b The development by persons with disabilities of their personality, talents and creativity, as well as their mental and physical abilities, to their fullest potential;</p>
		<p>24.1.c Enabling persons with disabilities to participate effectively in a free society.</p>
		<p>24.2 In realizing this right, States Parties shall ensure that:</p>
		<p>24.2.a Persons with disabilities are not excluded from the general education system on the basis of disability, and that children with disabilities are not excluded from free and compulsory primary education, or from secondary education, on the basis of disability;</p>
		<p>25 States Parties recognize that persons with disabilities have the right to the enjoyment of the highest attainable standard of health without discrimination on the basis of disability. States Parties shall take all appropriate measures to ensure access for persons with disabilities to health services that are gender-sensitive, including health-related rehabilitation. In particular, States Parties shall:</p>
		<p>25.a Provide persons with disabilities with the same range, quality and standard of free or affordable health care and programmes as provided to other persons, including in the area of sexual and reproductive health and population-based public health programmes;</p>
		<p>25.b Provide those health services needed by persons with disabilities specifically because of their disabilities, including early identification and intervention as appropriate, and services designed to minimize and prevent further disabilities, including among children and older persons;</p>
		<p>25.C Provide these health services as close as possible to people's own communities, including in rural areas;</p>
		<p>28.1 States Parties recognize the right of persons with disabilities to an adequate standard of living for themselves and their families, including adequate food, clothing and housing, and to the continuous improvement of living conditions, and shall take appropriate steps to safeguard and promote the realization of this right without discrimination on the basis of disability.</p>
		<p>28.2 States Parties recognize the right of persons with disabilities to social protection and to the enjoyment of that right without discrimination on the basis of disability, and shall take appropriate steps to safeguard and promote the realization of this right, including measures:</p>
		<p>28.2.a To ensure equal access by persons with disabilities to clean water services, and to ensure access to appropriate and affordable services, devices and other assistance for disability-related needs;</p>
		<p>28.2.b To ensure access by persons with disabilities, in particular women and girls with disabilities and older persons with disabilities, to social protection programmes and poverty reduction programmes;</p>
		<p>28.2.c To ensure access by persons with disabilities and their families living in situations of poverty to assistance from the State with disability-related expenses, including adequate training, counselling, financial assistance and respite care;</p>
		<p>28.2.d To ensure access by persons with disabilities to public housing programmes;</p>
		<p>28.2.e To ensure equal access by persons with disabilities to retirement benefits and programmes.</p>

	<p>1.5</p> <p>By 2030, build the resilience of the poor and those in vulnerable situations and reduce their exposure and vulnerability to climate-related extreme events and other economic, social and environmental shocks and disasters.</p> <p>Indicators</p> <p>1.5.1 Number of deaths, missing persons and directly affected persons attributed to disasters per 100,000 population</p> <p>1.5.2 Direct disaster economic loss in relation to global gross domestic product (GDP)</p> <p>1.5.3 Number of countries that adopt and implement national disaster risk reduction strategies in line with the Sendai Framework for Disaster Risk Reduction 2015–2030</p> <p>1.5.4 Proportion of local governments that adopt and implement local disaster risk reduction strategies in line with national disaster risk reduction strategies</p>	<p>CRPD Convention on the Rights of Persons with Disabilities</p>	<p>Show all articles</p> <p>10 States Parties reaffirm that every human being has the inherent right to life and shall take all necessary measures to ensure its effective enjoyment by persons with disabilities on an equal basis with others.</p> <p>11 States Parties shall take, in accordance with their obligations under international law, including international humanitarian law and international human rights law, all necessary measures to ensure the protection and safety of persons with disabilities in situations of risk, including situations of armed conflict, humanitarian emergencies and the occurrence of natural disasters.</p>
	<p>1.a</p> <p>Ensure significant mobilization of resources from a variety of sources, including through enhanced development cooperation, in order to provide adequate and predictable means for developing countries, in particular least developed countries, to implement programmes and policies to end poverty in all its dimensions.</p> <p>Indicators</p> <p>1.a.1 Total official development assistance grants from all donors that focus on poverty reduction as a share of the recipient country's gross national income</p> <p>1.a.2 Proportion of total government spending on essential services (education, health and social protection)</p>	<p>CRPD Convention on the Rights of Persons with Disabilities</p>	<p>Show all articles</p> <p>32.1 States Parties recognize the importance of international cooperation and its promotion, in support of national efforts for the realization of the purpose and objectives of the present Convention, and will undertake appropriate and effective measures in this regard, between and among States and, as appropriate, in partnership with relevant international and regional organizations and civil society, in particular organizations of persons with disabilities. Such measures could include, inter alia:</p> <p>32.1.a Ensuring that international cooperation, including international development programmes, is inclusive of and accessible to persons with disabilities;</p> <p>32.1.b Facilitating and supporting capacity-building, including through the exchange and sharing of information, experiences, training programmes and best practices;</p> <p>32.1.c Facilitating cooperation in research and access to scientific and technical knowledge;</p>
	<p>1.b</p> <p>Create sound policy frameworks at the national, regional and international levels, based on pro-poor and gender sensitive development strategies, to support accelerated investment in poverty eradication actions.</p> <p>Indicators</p> <p>1.b.1 Proportion of government recurrent and capital spending to sectors that disproportionately benefit women, the poor and vulnerable groups</p>	<p>CRPD Convention on the Rights of Persons with Disabilities</p>	<p>Show all articles</p> <p>4.1 States Parties undertake to ensure and promote the full realization of all human rights and fundamental freedoms for all persons with disabilities without discrimination of any kind on the basis of disability. To this end, States Parties undertake:</p> <p>4.1.a To adopt all appropriate legislative, administrative and other measures for the implementation of the rights recognized in the present Convention;</p> <p>4.1.b To take all appropriate measures, including legislation, to modify or abolish existing laws, regulations, customs and practices that constitute discrimination against persons with disabilities;</p> <p>4.1.c To take into account the protection and promotion of the human rights of persons with disabilities in all policies and programmes;</p>
 <p>End hunger, achieve food security and improved nutrition and promote sustainable agriculture.</p>	<p>2.1</p> <p>By 2030, end hunger and ensure access by all people, in particular the poor and people in vulnerable situations, including infants, to safe, nutritious and sufficient food all year round.</p> <p>Indicators</p> <p>2.1.1 Prevalence of undernourishment</p> <p>2.1.2 Prevalence of moderate or severe food insecurity in the population, based on the Food Insecurity Experience Scale (FIES)</p>	<p>CRPD Convention on the Rights of Persons with Disabilities</p>	<p>Show all articles</p> <p>28.1 States Parties recognize the right of persons with disabilities to an adequate standard of living for themselves and their families, including adequate food, clothing and housing, and to the continuous improvement of living conditions, and shall take appropriate steps to safeguard and promote the realization of this right without discrimination on the basis of disability.</p>

	<p>2.2</p> <p>By 2030, end all forms of malnutrition, including achieving, by 2025, the internationally agreed targets on stunting and wasting in children under 5 years of age, and address the nutritional needs of adolescent girls, pregnant and lactating women and older persons.</p> <p>Indicators</p> <p>2.2.1 Prevalence of stunting (height for age <-2 standard deviation from the median of the World Health Organization (WHO) Child Growth Standards) among children under 5 years of age</p> <p>2.2.2 Prevalence of malnutrition (weight for height >+2 or <-2 standard deviation from the median of the WHO Child Growth Standards) among children under 5 years of age, by type (wasting and overweight)</p> <p>2.2.3 Prevalence of anaemia in women aged 15 to 49 years, by pregnancy status (percentage)</p>	<p>CRPD Convention on the Rights of Persons with Disabilities</p>	<p>Show all articles</p> <p>28.1 States Parties recognize the right of persons with disabilities to an adequate standard of living for themselves and their families, including adequate food, clothing and housing, and to the continuous improvement of living conditions, and shall take appropriate steps to safeguard and promote the realization of this right without discrimination on the basis of disability.</p>
 <p>3 GOOD HEALTH AND WELL-BEING</p> <p>Ensure healthy lives and promote well-being for all at all ages.</p>	<p>3.1</p> <p>By 2030, reduce the global maternal mortality ratio to less than 70 per 100,000 live births.</p> <p>Indicators</p> <p>3.1.1 Maternal mortality ratio</p> <p>3.1.2 Proportion of births attended by skilled health personnel</p>	<p>CRPD Convention on the Rights of Persons with Disabilities</p>	<p>Show all articles</p> <p>10 States Parties reaffirm that every human being has the inherent right to life and shall take all necessary measures to ensure its effective enjoyment by persons with disabilities on an equal basis with others.</p> <p>25 States Parties recognize that persons with disabilities have the right to the enjoyment of the highest attainable standard of health without discrimination on the basis of disability. States Parties shall take all appropriate measures to ensure access for persons with disabilities to health services that are gender-sensitive, including health-related rehabilitation. In particular, States Parties shall:</p> <p>25.a Provide persons with disabilities with the same range, quality and standard of free or affordable health care and programmes as provided to other persons, including in the area of sexual and reproductive health and population-based public health programmes;</p>
	<p>3.2</p> <p>By 2030, end preventable deaths of newborns and children under 5 years of age, with all countries aiming to reduce neonatal mortality to at least as low as 12 per 1,000 live births and under-5 mortality to at least as low as 25 per 1,000 live births.</p> <p>Indicators</p> <p>3.2.1 Under-five mortality rate</p> <p>3.2.2 Neonatal mortality rate</p>	<p>CRPD Convention on the Rights of Persons with Disabilities</p>	<p>Show all articles</p> <p>10 States Parties reaffirm that every human being has the inherent right to life and shall take all necessary measures to ensure its effective enjoyment by persons with disabilities on an equal basis with others.</p> <p>25 States Parties recognize that persons with disabilities have the right to the enjoyment of the highest attainable standard of health without discrimination on the basis of disability. States Parties shall take all appropriate measures to ensure access for persons with disabilities to health services that are gender-sensitive, including health-related rehabilitation. In particular, States Parties shall:</p> <p>25.b Provide those health services needed by persons with disabilities specifically because of their disabilities, including early identification and intervention as appropriate, and services designed to minimize and prevent further disabilities, including among children and older persons;</p> <p>25.d Require health professionals to provide care of the same quality to persons with disabilities as to others, including on the basis of free and informed consent by, inter alia, raising awareness of the human rights, dignity, autonomy and needs of persons with disabilities through training and the promulgation of ethical standards for public and private health care;</p>
	<p>3.3</p> <p>By 2030, end the epidemics of AIDS, tuberculosis, malaria and neglected tropical diseases and combat hepatitis, water-borne diseases and other communicable diseases.</p> <p>Indicators</p> <p>3.3.1 Number of new HIV infections per 1,000 uninfected population by sex, age and key populations</p> <p>3.3.2 Tuberculosis incidence per 100,000 population</p> <p>3.3.3 Malaria incidence per 1,000 population</p> <p>3.3.4 Hepatitis B incidence per 100,000 population</p> <p>3.3.5 Number of people requiring interventions against neglected tropical diseases</p>	<p>CRPD Convention on the Rights of Persons with Disabilities</p>	<p>Show all articles</p> <p>10 States Parties reaffirm that every human being has the inherent right to life and shall take all necessary measures to ensure its effective enjoyment by persons with disabilities on an equal basis with others.</p> <p>25 States Parties recognize that persons with disabilities have the right to the enjoyment of the highest attainable standard of health without discrimination on the basis of disability. States Parties shall take all appropriate measures to ensure access for persons with disabilities to health services that are gender-sensitive, including health-related rehabilitation. In particular, States Parties shall:</p> <p>25.a Provide persons with disabilities with the same range, quality and standard of free or affordable health care and programmes as provided to other persons, including in the area of sexual and reproductive health and population-based public health programmes;</p> <p>25.d Require health professionals to provide care of the same quality to persons with disabilities as to others, including on the basis of free and informed consent by, inter alia, raising awareness of the human rights, dignity, autonomy and needs of persons with disabilities through training and the promulgation of ethical standards for public and private health care;</p>

<p>3.4</p> <p>By 2030, reduce by one third premature mortality from non-communicable diseases through prevention and treatment and promote mental health and well-being.</p> <p>Indicators</p> <p>3.4.1 Mortality rate attributed to cardiovascular disease, cancer, diabetes or chronic respiratory disease</p> <p>3.4.2 Suicide mortality rate</p>	<p>CRPD Convention on the Rights of Persons with Disabilities</p>	<p>Show all articles</p> <p>10 States Parties reaffirm that every human being has the inherent right to life and shall take all necessary measures to ensure its effective enjoyment by persons with disabilities on an equal basis with others.</p> <p>25 States Parties recognize that persons with disabilities have the right to the enjoyment of the highest attainable standard of health without discrimination on the basis of disability. States Parties shall take all appropriate measures to ensure access for persons with disabilities to health services that are gender-sensitive, including health-related rehabilitation. In particular, States Parties shall:</p> <p>25.a Provide persons with disabilities with the same range, quality and standard of free or affordable health care and programmes as provided to other persons, including in the area of sexual and reproductive health and population-based public health programmes;</p> <p>25.b Provide those health services needed by persons with disabilities specifically because of their disabilities, including early identification and intervention as appropriate, and services designed to minimize and prevent further disabilities, including among children and older persons;</p> <p>25.d Require health professionals to provide care of the same quality to persons with disabilities as to others, including on the basis of free and informed consent by, inter alia, raising awareness of the human rights, dignity, autonomy and needs of persons with disabilities through training and the promulgation of ethical standards for public and private health care;</p>
<p>3.6</p> <p>By 2020, halve the number of global deaths and injuries from road traffic accidents.</p> <p>Indicators</p> <p>3.6.1 Death rate due to road traffic injuries</p>	<p>CRPD Convention on the Rights of Persons with Disabilities</p>	<p>Show all articles</p> <p>10 States Parties reaffirm that every human being has the inherent right to life and shall take all necessary measures to ensure its effective enjoyment by persons with disabilities on an equal basis with others.</p>
<p>3.7</p> <p>By 2030, ensure universal access to sexual and reproductive health-care services, including for family planning, information and education, and the integration of reproductive health into national strategies and programmes.</p> <p>Indicators</p> <p>3.7.1 Proportion of women of reproductive age (aged 15-49) who have their need for family planning satisfied with modern methods</p> <p>3.7.2 Adolescent birth rate (aged 10-14 year; aged 15- 19 years) per 1,000 women in that age group</p>	<p>CRPD Convention on the Rights of Persons with Disabilities</p>	<p>Show all articles</p> <p>23.1 States Parties shall take effective and appropriate measures to eliminate discrimination against persons with disabilities in all matters relating to marriage, family, parenthood and relationships, on an equal basis with others, so as to ensure that:</p> <p>23.1.b The rights of persons with disabilities to decide freely and responsibly on the number and spacing of their children and to have access to age-appropriate information, reproductive and family planning education are recognized, and the means necessary to enable them to exercise these rights are provided;</p> <p>25 States Parties recognize that persons with disabilities have the right to the enjoyment of the highest attainable standard of health without discrimination on the basis of disability. States Parties shall take all appropriate measures to ensure access for persons with disabilities to health services that are gender-sensitive, including health-related rehabilitation. In particular, States Parties shall:</p> <p>25.a Provide persons with disabilities with the same range, quality and standard of free or affordable health care and programmes as provided to other persons, including in the area of sexual and reproductive health and population-based public health programmes;</p>
<p>3.8</p> <p>Achieve universal health coverage, including financial risk protection, access to quality essential health-care services and access to safe, effective, quality and affordable essential medicines and vaccines for all.</p> <p>Indicators</p> <p>3.8.1 Coverage of essential health services</p> <p>3.8.2 Proportion of population with large household expenditures on health as a share of total household expenditure or income</p>	<p>CRPD Convention on the Rights of Persons with Disabilities</p>	<p>Show all articles</p> <p>25 States Parties recognize that persons with disabilities have the right to the enjoyment of the highest attainable standard of health without discrimination on the basis of disability. States Parties shall take all appropriate measures to ensure access for persons with disabilities to health services that are gender-sensitive, including health-related rehabilitation. In particular, States Parties shall:</p> <p>25.a Provide persons with disabilities with the same range, quality and standard of free or affordable health care and programmes as provided to other persons, including in the area of sexual and reproductive health and population-based public health programmes;</p> <p>25.b Provide those health services needed by persons with disabilities specifically because of their disabilities, including early identification and intervention as appropriate, and services designed to minimize and prevent further disabilities, including among children and older persons;</p> <p>25.d Require health professionals to provide care of the same quality to persons with disabilities as to others, including on the basis of free and informed consent by, inter alia, raising awareness of the human rights, dignity, autonomy and needs of persons with disabilities through training and the promulgation of ethical standards for public and private health care;</p> <p>25.e Prohibit discrimination against persons with disabilities in the provision of health insurance, and life insurance where such insurance is permitted by national law, which shall be provided in a fair and reasonable manner;</p>

			25.f Prevent discriminatory denial of health care or health services or food and fluids on the basis of disability.
	3.9 By 2030, substantially reduce the number of deaths and illnesses from hazardous chemicals and air, water and soil pollution and contamination. Indicators 3.9.1 Mortality rate attributed to household and ambient air pollution 3.9.2 Mortality rate attributed to unsafe water, unsafe sanitation and lack of hygiene (exposure to unsafe Water, Sanitation and Hygiene for All (WASH) services) 3.9.3 Mortality rate attributed to unintentional poisoning	CRPD Convention on the Rights of Persons with Disabilities	Show all articles 10 States Parties reaffirm that every human being has the inherent right to life and shall take all necessary measures to ensure its effective enjoyment by persons with disabilities on an equal basis with others.
	3.c Substantially increase health financing and the recruitment, development, training and retention of the health workforce in developing countries, especially in least developed countries and small island developing States. Indicators 3.c.1 Health worker density and distribution	CRPD Convention on the Rights of Persons with Disabilities	Show all articles 32.1 States Parties recognize the importance of international cooperation and its promotion, in support of national efforts for the realization of the purpose and objectives of the present Convention, and will undertake appropriate and effective measures in this regard, between and among States and, as appropriate, in partnership with relevant international and regional organizations and civil society, in particular organizations of persons with disabilities. Such measures could include, inter alia: 32.1.a Ensuring that international cooperation, including international development programmes, is inclusive of and accessible to persons with disabilities;
	3.d Strengthen the capacity of all countries, in particular developing countries, for early warning, risk reduction and management of national and global health risks. Indicators 3.d.1 International Health Regulations (IHR) capacity and health emergency preparedness 3.d.2 Percentage of bloodstream infections due to selected antimicrobial-resistant organisms	CRPD Convention on the Rights of Persons with Disabilities	Show all articles 10 States Parties reaffirm that every human being has the inherent right to life and shall take all necessary measures to ensure its effective enjoyment by persons with disabilities on an equal basis with others. 11 States Parties shall take, in accordance with their obligations under international law, including international humanitarian law and international human rights law, all necessary measures to ensure the protection and safety of persons with disabilities in situations of risk, including situations of armed conflict, humanitarian emergencies and the occurrence of natural disasters.
 <p>Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all.</p>	4.1 By 2030, ensure that all girls and boys complete free, equitable and quality primary and secondary education leading to relevant and effective learning outcomes. Indicators 4.1.1 Proportion of children and young people: (a) in grades 2/3; (b) at the end of primary; and (c) at the end of lower secondary achieving at least a minimum proficiency level in (i) reading and (ii) mathematics, by sex 4.1.2 Completion rate (primary education, lower secondary education, upper secondary education)	CRPD Convention on the Rights of Persons with Disabilities	Show all articles 24.1 States Parties recognize the right of persons with disabilities to education. With a view to realizing this right without discrimination and on the basis of equal opportunity, States Parties shall ensure an inclusive education system at all levels and life long learning directed to: 24.1.a The full development of human potential and sense of dignity and self-worth, and the strengthening of respect for human rights, fundamental freedoms and human diversity; 24.1.b The development by persons with disabilities of their personality, talents and creativity, as well as their mental and physical abilities, to their fullest potential; 24.1.c Enabling persons with disabilities to participate effectively in a free society. 24.2 In realizing this right, States Parties shall ensure that: 24.2.a Persons with disabilities are not excluded from the general education system on the basis of disability, and that children with disabilities are not excluded from free and compulsory primary education, or from secondary education, on the basis of disability; 24.2.b Persons with disabilities can access an inclusive, quality and free primary education and secondary education on an equal basis with others in the communities in which they live; 24.2.c Reasonable accommodation of the individual's requirements is provided; 24.2.d Persons with disabilities receive the support required, within the general education system, to facilitate their effective education; 24.2.e Effective individualized support measures are provided in environments that maximize academic and social development, consistent with the goal of full inclusion.

<p>4.2</p> <p>By 2030, ensure that all girls and boys have access to quality early childhood development, care and pre-primary education so that they are ready for primary education.</p> <p>Indicators</p> <p>4.2.1 Proportion of children aged 24-59 months who are developmentally on track in health, learning and psychosocial well-being, by sex</p> <p>4.2.2 Participation rate in organized learning (one year before the official primary entry age), by sex</p>		<p>CRPD Convention on the Rights of Persons with Disabilities</p>	<p>Show all articles</p> <p>24.1 States Parties recognize the right of persons with disabilities to education. With a view to realizing this right without discrimination and on the basis of equal opportunity, States Parties shall ensure an inclusive education system at all levels and life long learning directed to:</p> <p>24.1.a The full development of human potential and sense of dignity and self-worth, and the strengthening of respect for human rights, fundamental freedoms and human diversity;</p> <p>24.1.b The development by persons with disabilities of their personality, talents and creativity, as well as their mental and physical abilities, to their fullest potential;</p> <p>24.1.c Enabling persons with disabilities to participate effectively in a free society.</p> <p>24.2 In realizing this right, States Parties shall ensure that:</p> <p>24.2.a Persons with disabilities are not excluded from the general education system on the basis of disability, and that children with disabilities are not excluded from free and compulsory primary education, or from secondary education, on the basis of disability;</p> <p>24.2.b Persons with disabilities can access an inclusive, quality and free primary education and secondary education on an equal basis with others in the communities in which they live;</p> <p>24.2.c Reasonable accommodation of the individual's requirements is provided;</p> <p>24.2.d Persons with disabilities receive the support required, within the general education system, to facilitate their effective education;</p> <p>24.2.e Effective individualized support measures are provided in environments that maximize academic and social development, consistent with the goal of full inclusion.</p>
<p>4.3</p> <p>By 2030, ensure equal access for all women and men to affordable and quality technical, vocational and tertiary education, including university.</p> <p>Indicators</p> <p>4.3.1 Participation rate of youth and adults in formal and non-formal education and training in the previous 12 months, by sex</p>		<p>CRPD Convention on the Rights of Persons with Disabilities</p>	<p>Show all articles</p> <p>24.5 States Parties shall ensure that persons with disabilities are able to access general tertiary education, vocational training, adult education and lifelong learning without discrimination and on an equal basis with others. To this end, States Parties shall ensure that reasonable accommodation is provided to persons with disabilities.</p>
<p>4.4</p> <p>By 2030, substantially increase the number of youth and adults who have relevant skills, including technical and vocational skills, for employment, decent jobs and entrepreneurship.</p> <p>Indicators</p> <p>4.4.1 Proportion of youth and adults with information and communications technology (ICT) skills, by type of skill</p>		<p>CRPD Convention on the Rights of Persons with Disabilities</p>	<p>Show all articles</p> <p>24.5 States Parties shall ensure that persons with disabilities are able to access general tertiary education, vocational training, adult education and lifelong learning without discrimination and on an equal basis with others. To this end, States Parties shall ensure that reasonable accommodation is provided to persons with disabilities.</p>
<p>4.5</p> <p>By 2030, eliminate gender disparities in education and ensure equal access to all levels of education and vocational training for the vulnerable, including persons with disabilities, indigenous peoples and children in vulnerable situations.</p> <p>Indicators</p> <p>4.5.1 Parity indices (female/male, rural/urban, bottom/top wealth quintile and others such as disability status, indigenous peoples and conflict affected, as data become available) for all education indicators on this list that can be disaggregated</p>		<p>CRPD Convention on the Rights of Persons with Disabilities</p>	<p>Show all articles</p> <p>24.1 States Parties recognize the right of persons with disabilities to education. With a view to realizing this right without discrimination and on the basis of equal opportunity, States Parties shall ensure an inclusive education system at all levels and life long learning directed to:</p> <p>24.1.a The full development of human potential and sense of dignity and self-worth, and the strengthening of respect for human rights, fundamental freedoms and human diversity;</p> <p>24.1.b The development by persons with disabilities of their personality, talents and creativity, as well as their mental and physical abilities, to their fullest potential;</p> <p>24.1.c Enabling persons with disabilities to participate effectively in a free society.</p>

		<p>24.2 In realizing this right, States Parties shall ensure that:</p> <p>24.2.a Persons with disabilities are not excluded from the general education system on the basis of disability, and that children with disabilities are not excluded from free and compulsory primary education, or from secondary education, on the basis of disability;</p> <p>24.2.b Persons with disabilities can access an inclusive, quality and free primary education and secondary education on an equal basis with others in the communities in which they live;</p> <p>24.2.c Reasonable accommodation of the individual's requirements is provided;</p> <p>24.2.d Persons with disabilities receive the support required, within the general education system, to facilitate their effective education;</p> <p>24.2.e Effective individualized support measures are provided in environments that maximize academic and social development, consistent with the goal of full inclusion.</p>
<p>4.6</p> <p>By 2030, ensure that all youth and a substantial proportion of adults, both men and women, achieve literacy and numeracy.</p> <p>Indicators</p> <p>4.6.1 Proportion of population in a given age group achieving at least a fixed level of proficiency in functional (a) literacy and (b) numeracy skills, by sex</p>	<p>CRPD Convention on the Rights of Persons with Disabilities</p>	<p>Show all articles</p> <p>24.1 States Parties recognize the right of persons with disabilities to education.
