<b>DEVAW</b> Declaration on the Elimination of Violence against Women	<b>Comment 1</b> The Declaration on the Elimination of Violence against Women is relevant in its entirety.	<b>5.2 (5. Gender equality)</b>  Eliminate all forms of violence against all women and girls in the public and private spheres, including trafficking and sexual and other types of exploitation.	5.2.1 Proportion of ever-partnered women and girls aged 15 years and older subjected to physical, sexual or psychological violence by a current or former intimate partner in the previous 12 months, by form of violence and by age 5.2.2 Proportion of women and girls aged 15 years and older subjected to sexual violence by persons other than an intimate partner in the previous 12 months, by age and place of occurrence
	<b>2.a</b> Physical, sexual and psychological violence occurring in the family, including battering, sexual abuse of female children in the household, dowry-related violence, marital rape, female genital mutilation and other traditional practices harmful to women, non-spousal violence and violence related to exploitation;	<b>5.3 (5. Gender equality)</b>  Eliminate all harmful practices, such as child, early and forced marriage and female genital mutilation.	5.3.1 Proportion of women aged 20-24 years who were married or in a union before age 15 and before age 18 5.3.2 Proportion of girls and women aged 15-49 years who have undergone female genital mutilation/cutting, by age
	<b>2.b</b> Physical, sexual and psychological violence occurring within the general community, including rape, sexual abuse, sexual harassment and intimidation at work, in educational institutions and elsewhere, trafficking in women and forced prostitution;	<b>5.3 (5. Gender equality)</b>  Eliminate all harmful practices, such as child, early and forced marriage and female genital mutilation.	5.3.1 Proportion of women aged 20-24 years who were married or in a union before age 15 and before age 18 5.3.2 Proportion of girls and women aged 15-49 years who have undergone female genital mutilation/cutting, by age
	<b>2.c</b> Physical, sexual and psychological violence perpetrated or condoned by the State, wherever it occurs.	<b>5.3 (5. Gender equality)</b>  Eliminate all harmful practices, such as child, early and forced marriage and female genital mutilation.	5.3.1 Proportion of women aged 20-24 years who were married or in a union before age 15 and before age 18 5.3.2 Proportion of girls and women aged 15-49 years who have undergone female genital mutilation/cutting, by age
	<b>4.f</b> Develop, in a comprehensive way, preventive approaches and all those measures of a legal, political, administrative and cultural nature that promote the protection of women against any form of violence, and ensure that the re-victimization of women does not occur because of laws insensitive to gender considerations, enforcement practices or other interventions;	<b>5.1 (5. Gender equality)</b>  End all forms of discrimination against all women and girls everywhere.	5.1.1 Whether or not legal frameworks are in place to promote, enforce and monitor equality and non-discrimination on the basis of sex
<b>ILO 156</b> Workers with Family Responsibilities Convention, 1981 (No 156)	<b>ILO 156</b> With the aim of creating effective equality of opportunity and treatment for men and women workers, this ILO convention requires ratifying states to make it a goal of national policy to enable persons with family responsibilities who are engaged or wish to engage in employment to exercise their right to do so without being subject to discrimination and, to the extent possible, without conflict between their employment and family responsibilities. The convention also requires governments to take account of the needs of workers with family responsibilities in community planning and to develop or promote community services, public or private, such as childcare and family services and facilities.	<b>5.4 (5. Gender equality)</b>  Recognize and value unpaid care and domestic work through the provision of public services, infrastructure and social protection policies and the promotion of shared responsibility within the household and the family as nationally appropriate.	5.4.1 Proportion of time spent on unpaid domestic and care work, by sex, age and location
<b>Escazú Agreement</b> Regional Agreement on Access to Information, Public Participation and Justice in Environmental Matters in Latin America and the Caribbean	<b>4.9</b> For the implementation of the present Agreement, each Party shall encourage the use of new information and communications technologies, such as open data, in the different languages used in the country, as appropriate. In no circumstances shall the use of electronic media constrain or result in discrimination against the public.	<b>5.b (5. Gender equality)</b>  Enhance the use of enabling technology, in particular information and communications technology, to promote the empowerment of women.	5.b.1 Proportion of individuals who own a mobile telephone, by sex
	<b>7.1</b> Each Party shall ensure the public's right to participation and, for that purpose, commits to implement open and inclusive participation in environmental decision-making processes based on domestic and international normative frameworks.	<b>5.5 (5. Gender equality)</b>  Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
	<b>7.2</b> Each Party shall guarantee mechanisms for the participation of the public in decision-making processes, revisions, re-examinations or updates with respect to projects and activities, and in other processes for granting environmental permits that have or may have a significant impact on the environment, including when they may affect health.	<b>5.5 (5. Gender equality)</b>  Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
	<b>7.3</b> Each Party shall promote the participation of the public in decision-making processes, revisions, re-examinations or updates other than those referred to in paragraph 2 of the present article with respect to environmental matters of public interest, such as land-use planning, policies, strategies, plans, programmes, rules and regulations, which have or may have a significant impact on the environment.	<b>5.5 (5. Gender equality)</b>  Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions

<b>7.4</b> Each Party shall adopt measures to ensure that the public can participate in the decision-making process from the early stages, so that due consideration can be given to the observations of the public, thus contributing to the process. To that effect, each Party shall provide the public with the necessary information in a clear, timely and comprehensive manner, to give effect to its right to participate in the decision-making process.	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
<b>7.5</b> The public participation procedure will provide for reasonable timeframes that allow sufficient time to inform the public and for its effective participation.	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
<b>7.6.a</b> the type or nature of the environmental decision under consideration and, where appropriate, in non-technical language;	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
<b>7.6.b</b> the authority responsible for making the decision and other authorities and bodies involved;	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
<b>7.6.c</b> the procedure foreseen for the participation of the public, including the date on which the procedure will begin and end, mechanisms for participation and, where applicable, the date and place of any public consultation or hearing; and	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
<b>7.6.d</b> the public authorities involved from which additional information on the environmental decision under consideration can be requested and the procedure for requesting information.	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
<b>7.6</b> The public shall be informed, through appropriate means, such as in writing, electronically, orally and by customary methods, and in an effective, comprehensible and timely manner, as a minimum, of the following:	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
<b>7.7</b> The public's right to participate in environmental decision-making processes shall include the opportunity to present observations through appropriate means available, according to the circumstances of the process. Before adopting the decision, the relevant public authority shall give due consideration to the outcome of the participation process.	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
<b>7.8</b> Each Party shall ensure that, once a decision has been made, the public is informed in a timely manner thereof and of the grounds and reasons underlying the decision, including how the observations of the public have been taken into consideration. The decision and its basis shall be made public and be accessible.	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
<b>7.9</b> The dissemination of the decisions resulting from environmental impact assessments and other environmental decision-making processes in which the public has participated shall be carried out through appropriate means, which may include written, electronic or oral means and customary methods, in an effective and prompt manner. The information disseminated shall include the established procedure to allow the public to take the relevant administrative and judicial actions.	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
<b>7.10</b> Each Party shall establish conditions that are favourable to public participation in environmental decision-making processes and that are adapted to the social, economic, cultural, geographical and gender characteristics of the public.	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions

<b>7.11</b> When the primary language of the directly affected public is different to the official languages, the public authority shall ensure that means are provided to facilitate their understanding and participation.	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
<b>7.12</b> Each Party shall promote, where appropriate and in accordance with domestic legislation, public participation in international forums and negotiations on environmental matters or with an environmental impact, in accordance with the procedural rules on participation of each forum. The participation of the public at the national level on matters of international environmental forums shall also be promoted, where appropriate.	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
<b>7.13</b> Each Party shall encourage the establishment of appropriate spaces for consultation on environmental matters or the use of those that are already in existence in which various groups and sectors are able to participate. Each Party shall promote regard for local knowledge, dialogue and interaction of different views and knowledge, where appropriate.	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
<b>7.14</b> The public authorities shall make efforts to identify and support persons or groups in vulnerable situations in order to engage them in an active, timely and effective manner in participation mechanisms. For these purposes, appropriate means and formats will be considered, in order to eliminate barriers to participation.	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
<b>7.15</b> In the implementation of the present Agreement, each Party shall guarantee that its domestic legislation and international obligations in relation to the rights of indigenous peoples and local communities are observed.	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
<b>7.16</b> The public authority shall make efforts to identify the public directly affected by the projects or activities that have or may have a significant impact on the environment and shall promote specific actions to facilitate their participation.	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
<b>7.17.e</b> the public reports and opinions of the involved entities addressed to the public authority related to the project or activity under consideration;	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
<b>7.17.f</b> a description of the available technologies to be used and alternative locations for executing the project or activity subject to assessment, when the information is available; and	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
<b>7.17</b> With respect to the environmental decision-making processes referred to in paragraph 2 of the present article, as a minimum, the following information shall be made public:	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
<b>7.17.g</b> actions taken to monitor the implementation and results of environmental impact assessment measures.	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
<b>7.17.a</b> a description of the area of influence and physical and technical characteristics of the proposed project or activity;	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions

<b>7.17.z</b> The aforementioned information shall be made available free of charge to the public in accordance with paragraph 17 of article 5 of the present Agreement.	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
<b>7.17.b</b> a description of the main environmental impacts of the project or activity and, as appropriate, the cumulative environmental impact;	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
<b>7.17.c</b> a description of the measures foreseen with respect to those impacts;	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
<b>7.17.d</b> a summary of (a), (b) and (c) of the present paragraph in comprehensible, non-technical language;	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
<b>10.2.c</b> provide the competent institutions and entities with adequate equipment and resources;	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
<b>10.2.d</b> promote education and training on, and raise public awareness of, environmental matters, through, inter alia, basic educational modules on access rights for students at all levels of education;	<b>5.5 (5. Gender equality)</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life.	5.5.1 Proportion of seats held by women in (a) national parliaments and (b) local governments 5.5.2 Proportion of women in managerial positions
<b>10.2.e</b> develop specific measures for persons or groups in vulnerable situations, such as providing interpreters or translators in languages other than official languages when necessary;	<b>5.5 (5.
