Goal	Target	Instrument	Article / Description
 <p>Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation.</p>	9.1 Develop quality, reliable, sustainable and resilient infrastructure, including regional and transborder infrastructure, to support economic development and human well-being, with a focus on affordable and equitable access for all. Indicators 9.1.1 Proportion of the rural population who live within 2 km of an all-season road 9.1.2 Passenger and freight volumes, by mode of transport	UDHR Universal Declaration of Human Rights	Show all articles 25.1 Everyone has the right to a standard of living adequate for the health and well-being of himself and of his family, including food, clothing, housing and medical care and necessary social services, and the right to security in the event of unemployment, sickness, disability, widowhood, old age or other lack of livelihood in circumstances beyond his control.
		ICESCR International Covenant on Economic, Social and Cultural Rights	Show all articles 11.1 The States Parties to the present Covenant recognize the right of everyone to an adequate standard of living for himself and his family, including adequate food, clothing and housing, and to the continuous improvement of living conditions. The States Parties will take appropriate steps to ensure the realization of this right, recognizing to this effect the essential importance of international co-operation based on free consent.
		CEDAW Convention on the Elimination of All Forms of Discrimination Against Women	Show all articles 14.2 States Parties shall take all appropriate measures to eliminate discrimination against women in rural areas in order to ensure, on a basis of equality of men and women, that they participate in and benefit from rural development and, in particular, shall ensure to such women the right: 14.2.h To enjoy adequate living conditions, particularly in relation to housing, sanitation, electricity and water supply, transport and communications.
		CRPD Convention on the Rights of Persons with Disabilities	Show all articles 9.1 To enable persons with disabilities to live independently and participate fully in all aspects of life, States Parties shall take appropriate measures to ensure to persons with disabilities access, on an equal basis with others, to the physical environment, to transportation, to information and communications, including information and communications technologies and systems, and to other facilities and services open or provided to the public, both in urban and in rural areas. These measures, which shall include the identification and elimination of obstacles and barriers to accessibility, shall apply to, inter alia: 9.1.a Buildings, roads, transportation and other indoor and outdoor facilities, including schools, housing, medical facilities and workplaces;
		UNDRIP United Nations Declaration on the Rights of Indigenous Peoples	Show all articles 32.2 States shall consult and cooperate in good faith with the indigenous peoples concerned through their own representative institutions in order to obtain their free and informed consent prior to the approval of any project affecting their lands or territories and other resources, particularly in connection with the development, utilization or exploitation of mineral, water or other resources.
		Escazú Agreement Regional Agreement on Access to Information, Public Participation and Justice in Environmental Matters in Latin America and the Caribbean	Show all articles 6.1 Each Party shall guarantee, to the extent possible within available resources, that the competent authorities generate, collect, publicize and disseminate environmental information relevant to their functions in a systematic, proactive, timely, regular, accessible and comprehensible manner, and periodically update this information and encourage the disaggregation and decentralization of environmental information at the subnational and local levels. Each Party shall strengthen coordination between the different authorities of the State. 6.3 Each Party shall have in place one or more up-to-date environmental information systems, which may include, inter alia: 6.3.e information on the use and conservation of natural resources and ecosystem services; 6.9 Each Party shall promote access to environmental information contained in concessions, contracts, agreements or authorizations granted, which involve the use of public goods, services or resources, in accordance with domestic legislation.

		6.10 Each Party shall ensure that consumers and users have official, relevant and clear information on the environmental qualities of goods and services and their effects on health, favouring sustainable production and consumption patterns.
		6.12 Each Party shall take the necessary measures, through legal or administrative frameworks, among others, to promote access to environmental information in the possession of private entities, in particular information on their operations and the possible risks and effects on human health and the environment.
		11.1 The Parties shall cooperate to strengthen their national capacities with the aim of implementing the present Agreement in an effective manner.
		11.2 The Parties shall give particular consideration to least developed countries, landlocked developing countries and small island developing States from Latin America and the Caribbean.
		11.3 For the purposes of implementing paragraph 2 of the present article, the Parties shall promote activities and mechanisms, such as:
		11.3.a discussions, workshops, expert exchanges, technical assistance, education and observatories;
		11.3.b developing, sharing and implementing educational, training and awareness-raising materials and programmes;
		11.3.c sharing experiences of voluntary codes of conduct, guidelines, good practices and standards;
		11.3.d committees, councils and forums of multisectoral development stakeholders to address cooperation priorities and activities.
		11.4 The Parties shall encourage partnerships with States from other regions, intergovernmental, non-governmental, academic and private organizations, as well as civil society organizations and other relevant stakeholders to implement the present Agreement.
		11.5 The Parties recognize that regional cooperation and information-sharing shall be promoted in relation to all aspects of illicit activities against the environment.
	European Framework Convention on Minorities Council of Europe Framework Convention for the Protection of National Minorities	Show all articles 4.2 The Parties undertake to adopt, where necessary, adequate measures in order to promote, in all areas of economic, social, political and cultural life, full and effective equality between persons belonging to a national minority and those belonging to the majority. In this respect, they shall take due account of the specific conditions of the persons belonging to national minorities.
	Protocol of San Salvador Additional Protocol to the American Convention on Human Rights in the Area of Economic, Social and Cultural rights (Protocol of San Salvador)	Show all articles 18 Everyone affected by a diminution of his physical or mental capacities is entitled to receive special attention designed to help him achieve the greatest possible development of his personality. The States Parties agree to adopt such measures as may be necessary for this purpose and, especially, to: 18.c Include the consideration of solutions to specific requirements arising from needs of this group as a priority component of their urban development plans;
	Inter-American Convention on discrimination against persons with disabilities Inter-American Convention on the Elimination of All Forms of Discrimination against Persons with Disabilities	Show all articles III To achieve the objectives of this Convention, the states parties undertake: III.1 To adopt the legislative, social, educational, labor-related, or any other measures needed to eliminate discrimination against persons with disabilities and to promote their full integration into society, including, but not limited to: III.1.b Measures to ensure that new buildings, vehicles, and facilities constructed or manufactured within their respective territories facilitate transportation, communications, and access by persons with disabilities; III.1.c Measures to eliminate, to the extent possible, architectural, transportation, and communication obstacles to facilitate access and use by persons with disabilities;

		ACRWC African Charter on the Rights and Welfare of the Child	Show all articles 13.3 The State Parties to the present Charter shall use their available resources with a view to achieving progressively the full convenience of the mentally and physically disabled person to movement and access to public highway buildings and other places to which the disabled may legitimately want to have access to.
		Maputo Protocol Protocol to the African Charter on Human and Peoples' Rights on the Rights of Women in Africa	Show all articles 19 Women shall have the right to fully enjoy their right to sustainable development. In this connection, the States Parties shall take all appropriate measures to:
			19.a introduce the gender perspective in the national development planning procedures;
		CBD Convention on Biological Diversity	Show all articles 14.1 Each Contracting Party, as far as possible and as appropriate, shall:
			14.1.a Introduce appropriate procedures requiring environmental impact assessment of its proposed projects that are likely to have significant adverse effects on biological diversity with a view to avoiding or minimizing such effects and, where appropriate, allow for public participation in such procedures;
			14.1.b Introduce appropriate arrangements to ensure that the environmental consequences of its programmes and policies that are likely to have significant adverse impacts on biological diversity are duly taken into account;
			14.1.c Promote, on the basis of reciprocity, notification, exchange of information and consultation on activities under their jurisdiction or control which are likely to significantly affect adversely the biological diversity of other States or areas beyond the limits of national jurisdiction, by encouraging the conclusion of bilateral, regional or multilateral arrangements, as appropriate;
			14.1.d In the case of imminent or grave danger or damage, originating under its jurisdiction or control, to biological diversity within the area under jurisdiction of other States or in areas beyond the limits of national jurisdiction, notify immediately the potentially affected States of such danger or damage, as well as initiate action to prevent or minimize such danger or damage;
			14.1.e Promote national arrangements for emergency responses to activities or events, whether caused naturally or otherwise, which present a grave and imminent danger to biological diversity and encourage international cooperation to supplement such national efforts and, where appropriate and agreed by the States or regional economic integration organizations concerned, to establish joint contingency plans;
	9.2 Promote inclusive and sustainable industrialization and, by 2030, significantly raise industry's share of employment and gross domestic product, in line with national circumstances, and double its share in least developed countries. Indicators 9.2.1 Manufacturing value added as a proportion of GDP and per capita 9.2.2 Manufacturing employment as a proportion of total employment	ACHR American Convention on Human Rights	Show all articles 26 The States Parties undertake to adopt measures, both internally and through international cooperation, especially those of an economic and technical nature, with a view to achieving progressively, by legislation or other appropriate means, the full realization of the rights implicit in the economic, social, educational, scientific, and cultural standards set forth in the Charter of the Organization of American States as amended by the Protocol of Buenos Aires.
		CBD Convention on Biological Diversity	Show all articles 14.1 Each Contracting Party, as far as possible and as appropriate, shall:
			14.1.a Introduce appropriate procedures requiring environmental impact assessment of its proposed projects that are likely to have significant adverse effects on biological diversity with a view to avoiding or minimizing such effects and, where appropriate, allow for public participation in such procedures;
			14.1.b Introduce appropriate arrangements to ensure that the environmental consequences of its programmes and policies that are likely to have significant adverse impacts on biological diversity are duly taken into account;
	9.3 Increase the access of small-scale industrial and other enterprises, in particular in developing countries, to financial services, including affordable credit, and their integration into value chains and markets. Indicators 9.3.1 Proportion of small-scale industries in total industry value added 9.3.2 Proportion of small-scale industries with a loan or line of credit	CEDAW Convention on the Elimination of All Forms of Discrimination Against Women	Show all articles 13 States Parties shall take all appropriate measures to eliminate discrimination against women in other areas of economic and social life in order to ensure, on a basis of equality of men and women, the same rights, in particular: 13.b The right to bank loans, mortgages and other forms of financial credit;
		ILO Rec 189 Job Creation in Small and Medium-Sized Enterprises Recommendation, 1998 (No. 189)	Show all articles ILO Rec 189 This ILO Recommendation recommends ILO Member States to adopt measures in order to recognize and to promote the fundamental role that small and medium-sized enterprises can play.

		ACHR American Convention on Human Rights	Show all articles 26 The States Parties undertake to adopt measures, both internally and through international cooperation, especially those of an economic and technical nature, with a view to achieving progressively, by legislation or other appropriate means, the full realization of the rights implicit in the economic, social, educational, scientific, and cultural standards set forth in the Charter of the Organization of American States as amended by the Protocol of Buenos Aires.
		Maputo Protocol Protocol to the African Charter on Human and Peoples' Rights on the Rights of Women in Africa	Show all articles 19 Women shall have the right to fully enjoy their right to sustainable development. In this connection, the States Parties shall take all appropriate measures to: 19.d promote women's access to credit, training, skills development and extension services at rural and urban levels in order to provide women with a higher quality of life and reduce the level of poverty among women;
	9.4 By 2030, upgrade infrastructure and retrofit industries to make them sustainable, with increased resource-use efficiency and greater adoption of clean and environmentally sound technologies and industrial processes, with all countries taking action in accordance with their respective capabilities. Indicators 9.4.1 CO2 emission per unit of value added	UDHR Universal Declaration of Human Rights	Show all articles 27.2 Everyone has the right to the protection of the moral and material interests resulting from any scientific, literary or artistic production of which he is the author.
		ICESCR International Covenant on Economic, Social and Cultural Rights	Show all articles 15.1 The States Parties to the present Covenant recognize the right of everyone: 15.1.b To enjoy the benefits of scientific progress and its applications;
			15.2 The steps to be taken by the States Parties to the present Covenant to achieve the full realization of this right shall include those necessary for the conservation, the development and the diffusion of science and culture.
		Escazú Agreement Regional Agreement on Access to Information, Public Participation and Justice in Environmental Matters in Latin America and the Caribbean	Show all articles 6.1 Each Party shall guarantee, to the extent possible within available resources, that the competent authorities generate, collect, publicize and disseminate environmental information relevant to their functions in a systematic, proactive, timely, regular, accessible and comprehensible manner, and periodically update this information and encourage the disaggregation and decentralization of environmental information at the subnational and local levels. Each Party shall strengthen coordination between the different authorities of the State.
			6.3 Each Party shall have in place one or more up-to-date environmental information systems, which may include, inter alia:
			6.3.e information on the use and conservation of natural resources and ecosystem services;
			6.9 Each Party shall promote access to environmental information contained in concessions, contracts, agreements or authorizations granted, which involve the use of public goods, services or resources, in accordance with domestic legislation.
			6.10 Each Party shall ensure that consumers and users have official, relevant and clear information on the environmental qualities of goods and services and their effects on health, favouring sustainable production and consumption patterns.
			6.12 Each Party shall take the necessary measures, through legal or administrative frameworks, among others, to promote access to environmental information in the possession of private entities, in particular information on their operations and the possible risks and effects on human health and the environment.
			11.1 The Parties shall cooperate to strengthen their national capacities with the aim of implementing the present Agreement in an effective manner.
			11.2 The Parties shall give particular consideration to least developed countries, landlocked developing countries and small island developing States from Latin America and the Caribbean.
			11.3 For the purposes of implementing paragraph 2 of the present article, the Parties shall promote activities and mechanisms, such as:
			11.3.a discussions, workshops, expert exchanges, technical assistance, education and observatories;
			11.3.b developing, sharing and implementing educational, training and awareness-raising materials and programmes;
			11.3.c sharing experiences of voluntary codes of conduct, guidelines, good practices and standards;

			<p>11.3.d committees, councils and forums of multisectoral development stakeholders to address cooperation priorities and activities.</p> <p>11.4 The Parties shall encourage partnerships with States from other regions, intergovernmental, non-governmental, academic and private organizations, as well as civil society organizations and other relevant stakeholders to implement the present Agreement.</p> <p>11.5 The Parties recognize that regional cooperation and information-sharing shall be promoted in relation to all aspects of illicit activities against the environment.</p>
		ADDRM American Declaration on the Rights and Duties of Man	Show all articles XIII Every person has the right to take part in the cultural life of the community, to enjoy the arts, and to participate in the benefits that result from intellectual progress, especially scientific discoveries. He likewise has the right to the protection of his moral and material interests as regards his inventions or any literary, scientific or artistic works of which he is the author.
		ACHR American Convention on Human Rights	Show all articles 26 The States Parties undertake to adopt measures, both internally and through international cooperation, especially those of an economic and technical nature, with a view to achieving progressively, by legislation or other appropriate means, the full realization of the rights implicit in the economic, social, educational, scientific, and cultural standards set forth in the Charter of the Organization of American States as amended by the Protocol of Buenos Aires.
		UNFCCC United Nations Framework Convention on Climate Change	Show all articles 4.1 All Parties, taking into account their common but differentiated responsibilities and their specific national and regional development priorities, objectives and circumstances, shall: <p>4.1.c Promote and cooperate in the development, application and diffusion, including transfer, of technologies, practices and processes that control, reduce or prevent anthropogenic emissions of greenhouse gases not controlled by the Montreal Protocol in all relevant sectors, including the energy, transport, industry, agriculture, forestry and waste management sectors;</p> <p>4.5 The developed country Parties and other developed Parties included in Annex II shall take all practicable steps to promote, facilitate and finance, as appropriate, the transfer of, or access to, environmentally sound technologies and knowhow to other Parties, particularly developing country Parties, to enable them to implement the provisions of the Convention. In this process, the developed country Parties shall support the development and enhancement of endogenous capacities and technologies of developing country Parties. Other Parties and organizations in a position to do so may also assist in facilitating the transfer of such technologies.</p>
		Paris Agreement Paris Agreement	Show all articles 2.1 This Agreement, in enhancing the implementation of the Convention, including its objective, aims to strengthen the global response to the threat of climate change, in the context of sustainable development and efforts to eradicate poverty, including by: <p>2.1.b Increasing the ability to adapt to the adverse impacts of climate change and foster climate resilience and low greenhouse gas emissions development, in a manner that does not threaten food production;</p> <p>4.1 In order to achieve the long-term temperature goal set out in Article 2, Parties aim to reach global peaking of greenhouse gas emissions as soon as possible, recognizing that peaking will take longer for developing country Parties, and to undertake rapid reductions thereafter in accordance with best available science, so as to achieve a balance between anthropogenic emissions by sources and removals by sinks of greenhouse gases in the second half of this century, on the basis of equity, and in the context of sustainable development and efforts to eradicate poverty.</p> <p>4.6 The least developed countries and small island developing States may prepare and communicate strategies, plans and actions for low greenhouse gas emissions development reflecting their special circumstances.</p> <p>4.19 All Parties should strive to formulate and communicate long-term low greenhouse gas emission development strategies, mindful of Article 2 taking into account their common but differentiated responsibilities and respective capabilities, in the light of different national circumstances.</p>
		CBD Convention on Biological Diversity	Show all articles 14.1 Each Contracting Party, as far as possible and as appropriate, shall: <p>14.1.a Introduce appropriate procedures requiring environmental impact assessment of its proposed projects that are likely to have significant adverse effects on biological diversity with a view to avoiding or minimizing such effects and, where appropriate, allow for public participation in such procedures;</p>

			<div>14.1.b</div> <div>Introduce appropriate arrangements to ensure that the environmental consequences of its programmes and policies that are likely to have significant adverse impacts on biological diversity are duly taken into account;</div>
<div>9.5</div> <div>Enhance scientific research, upgrade the technological capabilities of industrial sectors in all countries, in particular developing countries, including, by 2030, encouraging innovation and substantially increasing the number of research and development workers per 1 million people and public and private research and development spending.</div> <div>Indicators</div> <div>9.5.1</div> <div>Research and development expenditure as a proportion of GDP</div> <div>9.5.2</div> <div>Researchers (in full-time equivalent) per million inhabitants</div>	<div>UDHR</div> <div>Universal Declaration of Human Rights</div>	<div>Show all articles</div> <div>27.2</div> <div>Everyone has the right to the protection of the moral and material interests resulting from any scientific, literary or artistic production of which he is the author.</div>	
		<div>28</div> <div>Everyone is entitled to a social and international order in which the rights and freedoms set forth in this Declaration can be fully realized.</div>	
	<div>ICESCR</div> <div>International Covenant on Economic, Social and Cultural Rights</div>	<div>Show all articles</div> <div>2.1</div> <div>Each State Party to the present Covenant undertakes to take steps, individually and through international assistance and co-operation, especially economic and technical, to the maximum of its available resources, with a view to achieving progressively the full realization of the rights recognized in the present Covenant by all appropriate means, including particularly the adoption of legislative measures.</div>	
		<div>11.1</div> <div>The States Parties to the present Covenant recognize the right of everyone to an adequate standard of living for himself and his family, including adequate food, clothing and housing, and to the continuous improvement of living conditions. The States Parties will take appropriate steps to ensure the realization of this right, recognizing to this effect the essential importance of international co-operation based on free consent.</div>	
		<div>15.1</div> <div>The States Parties to the present Covenant recognize the right of everyone:</div>	
		<div>15.1.b</div> <div>To enjoy the benefits of scientific progress and its applications;</div>	
		<div>15.2</div> <div>The steps to be taken by the States Parties to the present Covenant to achieve the full realization of this right shall include those necessary for the conservation, the development and the diffusion of science and culture.</div>	
		<div>15.3</div> <div>The States Parties to the present Covenant undertake to respect the freedom indispensable for scientific research and creative activity.</div>	
		<div>15.4</div> <div>The States Parties to the present Covenant recognize the benefits to be derived from the encouragement and development of international contacts and co-operation in the scientific and cultural fields.</div>	
	<div>CRC</div> <div>Convention on the Rights of the Child</div>	<div>Show all articles</div> <div>4</div> <div>States Parties shall undertake all appropriate legislative, administrative, and other measures for the implementation of the rights recognized in the present Convention. With regard to economic, social and cultural rights, States Parties shall undertake such measures to the maximum extent of their available resources and, where needed, within the framework of international co-operation.</div>	
<div>ADRDM</div> <div>American Declaration on the Rights and Duties of Man</div>	<div>Show all articles</div> <div>XIII</div> <div>Every person has the right to take part in the cultural life of the community, to enjoy the arts, and to participate in the benefits that result from intellectual progress, especially scientific discoveries.
